<b>Skin</b>			
<b>Musculature</b>			
<b>Skeletal</b>			
<b>Other observations/ recommended treatments</b>			

*I have examined this animal on (insert date) \_\_\_\_\_ and noted above my observations based on this physical examination. I have not conducted any tests beyond a physical examination. My examination relied in part on information from the owner, which cannot be warranted as to accuracy. This Veterinary Certificate of Health indicates the health status of this animal on the date of the examination, based on my physical examination. It is not intended to be relied on to predict the future health of this animal, including any conditions that may arise after the date of examination or that were not detectable on physical examination. This Certificate cannot be relied on as a guarantee or warranty, express or implied, respecting this animal's health.*
